Lodge Room No.11, Freemasons' Hall, Great Queen Street, London WC2

With the arrival of the end of 2012, various speculations as to the end of time, the end of the world and changes in human consciousness have become more widespread. Ideas explored by groups fascinated by esotericism as well as spiritual awareness and awakening outside of traditional organized religions are becoming more familiar to the general public. This combination lecture and discussion evening also includes the usual optional tour of the Hall. The Japan Society will handle registration and no tickets will be issued. The event is £12 for non-members and £9 for members of The Japan Society.
